SPECIAL FILMING CONDITIONS
KINNEY HEIGHTS

The Special Filming Conditions described below will be included in the terms and conditions of permits issued for filming in this area and are in addition to the standard terms and conditions applicable to filming permits generally. While these Special Filming Conditions will be included as terms if a permit for filming in this area is issued, they are not intended to, and do not, establish the criteria or standards for determining whether or not a particular permit (or permits) will be issued for this area. The decision whether or not a particular permit (or permits) will be issued is vested in the discretion of the appropriate City or County department or their designees (including FilmL.A., Inc.), to be exercised consistent with public health, safety and general welfare, and applicable land-use ordinances.

Kinney Heights is home to one of the most photogenic neighborhoods in the West Adams District. It contains a vast collection of historic homes with many diverse architectural styles. This area is a designated Historic Preservation Overlay Zone. This area is bounded by Arlington Avenue, 23rd Street, Gramercy Place, and 25th Street (including Cimarron Street and 24th Street). The following Special Filming Conditions have been established to mitigate the concerns of local residents.

- **Affected residents must be notified at least two (2) days in advance of the first day of filming or the first day of any substantial set preparation.** *Permit requests must be submitted to FilmL.A. at least three (3) days in advance.*

- **Production companies may not arrive in the area prior to 7:00 a.m. and must depart no later than 10:00 p.m.** unless affected residents (generally those within 300' of the filming activities or equipment parking) are surveyed to identify neighborhood concerns and approval is obtained from FilmL.A. The approved times must be indicated on the permit.

- **Cast and crew may not park on area streets.** Off-street parking must be provided for personal vehicles.

  Suggested parking lots: **24th Street School**
  Widney High School
  Holman Methodist (Adams Boulevard & 4th Avenue)
  7th Day Adventist (Adams Boulevard & 3rd Avenue)

- **Parking of production equipment is limited to 300' on one side of the street. Posting and/or parking on the other side of the street requires that affected residents be surveyed to identify neighborhood concerns.** Film company vehicles shall not interfere with gardeners' activities, trash pick-up or access to resident driveways.

- **No posting or parking is allowed in front of 2326 W. 23rd Street and 2327 W. 23rd Street (this includes both sides of Cimarron from 23rd Street north to the dead end).**

- **When street cleaning is disrupted by filming, it is the film company's responsibility to clean the street. Street cleaning days are as follows: North side and east side are cleaned on Wednesday afternoon and the South side and west side are cleaned on Thursday afternoon.**

- **Filming in the Kinney Heights area requires that notification be given to the each representative of the different Block Clubs.** *The current contact for 23rd Street is Kim-Lou Jones (323) 578-9003. The current contact for 24th Street between Arlington and Cimarron is Iris Smith (323) 737-3237.*

- **Trash and refuse must be removed from the area immediately after filming activities are completed.**

- **A FilmL.A. Monitor will be assigned to encourage compliance with the permit and conditions.** The Monitor will generally arrive at the designated location 1 hour prior to the permit start time to note proper arrival time and remain with the production company during all filming-related activities and ensure proper departure time.

SPECIAL FILMING CONDITIONS
VENICE AREA

The Special Filming Conditions described below will be included in the terms and conditions of permits issued for filming in this area and are in addition to the standard terms and conditions applicable to filming permits generally. While these Special Filming Conditions will be included as terms if a permit for filming in this area is issued, they are not intended to, and do not, establish the criteria or standards for determining whether or not a particular permit (or permits) will be issued for this area. The decision whether or not a particular permit (or permits) will be issued is vested in the discretion of the appropriate City or County department or their designees (including FilmL.A., Inc.), to be exercised consistent with public health, safety and general welfare, and applicable land-use ordinances.

For purposes of these guidelines the Venice area is Santa Monica City limits to the north, Lincoln Boulevard to the East, Pacific Ocean to the west and Washington Boulevard to the South (including the Strand which is Pacific Avenue, Washington Boulevard, Via Marina, and the Pacific Ocean)

- **Filming on holidays and weekends is generally not permitted**, especially during the summer. Exemptions may be granted on a case-by-case basis. Factors such as size of company, exact location and scope of intended filming, time of year, and anticipated impact on local parking will be considered when reviewing requests for such exemptions.

- **No vehicles shall be driven or parked on Ocean Front Walk between the hours of 10:00 a.m. and 7:00 p.m**. unless approved by The Department of Recreation and Parks.

- **Speedway shall not be used for parking of vehicles or equipment and must remain open to emergency vehicles.**

- **All vehicles and equipment (including private automobiles) associated with the production company shall be legally parked unless specific exemption is granted by the film permit.** No vehicles or equipment shall be permitted to park on Ocean Front Walk or the Venice Recreation Area property unless approved by The Department of Recreation and Parks. The use of private parking lots is strongly encouraged. Publicly owned parking lots in the area are managed by PCI parking and must be added to the filming permit and cleared with the appropriate agency.

- **Traffic control on all area streets shall be limited to a maximum of two (2) minutes.**

- **It is the responsibility of the production company to deploy sufficient police officers to ensure that traffic flow in the area is not unreasonably hindered.**
